## **SRR President, employees participate in Project Vision**

AIKEN, S.C. (March 28, 2011) – Dave Olson, Savannah River Remediation (SRR) President and Project Manager, worked along side dozens of employees in Aiken on Friday for a day of service.

SRR participated in this year's Project VISION "Day of Caring."

During the day-long effort, volunteers repaired flooring and roofs at five different worksites. They also cleared yard debris, in addition to painting and building shelves and wheelchair ramps.

SRS is owned by the U.S. Department of Energy (DOE). SRR is the SRS Liquid Waste contractor for DOE. SRR is composed of personnel from a team of companies led by URS with partners Bechtel National, CH2M Hill and Babcock & Wilcox. Critical subcontractors for the contract are AREVA, Energy Solutions and URS Safety Management Solutions.
